Friday Feb. 7th

@ 6:30 pm

Join us for a musical shabbat service & catered meal with guest educator Lex Rofeberg, **senior** Jewish educator from [Judaism Unbound!](#)

Saturday Feb. 8th

@7:00 pm

Join us for Havdalah and desserts as we dive into interactive discussions on the future of Judaism and more! Can a gathering at your local bar be a Jewish space? Can our computer be a Jewish object?

Judaism has been evolving, and shifting, and re-evolving, and re-shifting...for a few thousand years. Congregation Shir Hadash knows this well! So where might Judaism be headed in the coming decades and beyond? Join national podcast host, Lex Rofeberg, as we explore, re-imagine and push the boundaries on ways we can connect, learn and live Jewishly.

Lex Rofeberg, a proud Milwaukee native, who serves as senior Jewish educator for Judaism Unbound, will open up that question. Come engage in interactive conversation on a topic that can help inform how we build meaningful, thriving Jewish communities -- now and in the future!
